Kaizen is a concept referring to business activities that continuously improve all functions and involve all employees from the CEO to the assembly line workers. Kaizen (改善) is the Sino-Japanese word for "improvement". Kaizen also applies to processes, such as purchasing and logistics, that cross organizational boundaries into the supply chain.

Kaizen - Wikipedia

Confronting and solving common project problems and delivering projects on time and on budget are extraordinarily difficult challenges that often involve dynamics beyond the project manager's individual control. But when project managers fail to manage what they can control, such as sufficiently engaging their project's stakeholders in the initiative, they unnecessarily impede--no matter how ...
