FULL-SERVICE BOOK DISTRIBUTION. Helping publishers grow their business. through partnership, trust, and collaboration. Book Sales & Distribution.

In Siberia

Siberia (/sɑːˈbɪəriə/; Russian: Сиби́ра, tr. Sibirʹ, IPA: [sʲɪˈbʲirʲ] ()) is an extensive geographical region spanning much of Eurasia and Northern Asia.Siberia has been part of modern Russia since the latter half of the 16th century.. The territory of Siberia extends eastwards from the Ural Mountains to the watershed between the Pacific and Arctic drainage basins.

Siberia - Wikipedia

In Siberia places the region in its historical context, but Thubron's history is never didactic or potted. Above all, Thubron is never a travel bore. . . . Readers may derive a great deal of travel envy from this account of his adventures.7~"New York Times Book Review "Thubron proves again why he is considered one of the most affecting travel writers today with this graphic, melancholy portrait of Siberia. . . .
