### **International Investment Arbitration: Substantive ...**

This is the long-awaited second edition of this widely-referenced work on the substantive law principles of investment treaty arbitration. It forms a detailed critical review of the substantive principles of international law applied by investment arbitration tribunals, and a clear and comprehensive description of the present state of the law.

### **International Investment Arbitration: Substantive ...**

By Campbell McLachlan, Laurence Shore & Matthew Weiniger, Published by Oxford University Press, May 2017. The legal principles that have developed in investment arbitration are subject to intense debate and are still in a state of flux. While tribunals routinely state that they are applying principles of public international law, many principles applied have only been developed recently, and tribunals are often guided more by the approaches taken by other tribunals than by pre-existing ...

Abstract. International Investment Arbitration: Substantive Principles provides the first modern detailed analytical survey of the developing substantive principals of international law which are being applied to disputes by international investment tribunals. It considers the key questions that arise, and provides a clear description of the present state of the law as reflected in tribunal practice.

**Investment Claims: International Investment ...**

The huge rise in the settlement of investment disputes by treaty has provoked an underlying question of great practical and theoretical importance: the relationship between the substantive standards protected in such treaties and general international law.
