### Jazz Composition Arranging

JAZZ COMPOSITION AND ARRANGING is a comprehensive introduction to the skills and techniques necessary for producing a successful composition and arranging project. Drawing on Boras' background as a professional composer and musician, his text focuses on the concepts underlying instrumental writing, rather than on stylistic concerns -- approaching the subject by integrating both narrative and music examples.

Jazz composition and arranging, whether for small band or big band, is not an easy art to pin down. As with pop and rock, many jazz performers become composers purely to write music for their own performance. For jazz improvisers, composition is also a logical extension of performance because improvisation is, after all, on-the-spot composition.
