PPaltCS_3e_solutions. This project contains solutions to the exercises found in the textbook, Python Programming: An Introduction to Computer Science, Third Edition, which I have purchased from Amazon. Purpose. The purpose of this project is to learn a popular programming language (i.e., Python) as well as the fundamentals of computer science.

GitHub - MarcusPlieninger/PPaltCS_3e_solutions: Solutions ...

This book teaches about computer science with Python, not how to program with Python. I think John Zelle either needs to start a new line of work or go back to the computer programming classroom, learn how to program with Python, and write a real instruction book on how to program with Python because he is another mediocre amateur.
