A Guide to Five of the Top 20th-Century London Landmarks

One of his most famous achievements is Casa Batllo, Barcelona, which is a famous landmark in the city and among the most iconic symbols of the Art Nouveau movement. The unique design is not just external: it's just as extravagant inside. Locally the building's name can be translated to 'House of Bones' owing to its organic, almost skeletal look. 11.

27 design landmarks everyone should see | Creative Bloq

As recorders of time, 20th century design movements responded to the machine age of the 1920s society and started to produce design pieces influenced by the invention of mass-produced materials. After the wars, the need for a more humanist approach to the world influenced the embrace of natural materials and handmade objects.

20th Century Vernacular - Indiana Landmarks

The simple design of the A-Frame led to the production of easily shipped do-it-yourself construction kits. The form became especially popular for vacation homes on lakes and in woods. Although the A-shape of the front and rear facades provides great views of the outdoors, the steeply-pitched roof creates unusable space and frequent head bumping on the sloping walls of the narrow second story.
